Pursuant to Iowa Code Section 505.8, subsection 18, the Iowa Insurance Commissioner convened a work group on Tuesday, October 4, 2011 composed of the consumer advocate, health insurance carriers, health care providers, small employers that purchase health insurance and individual consumers to consider ways to reduce the costs of providing health insurance coverage and health care services to Iowa. Information was shared concerning proposed ways to reduce administrative costs and underlying unnecessary health care expenses.

It was determined to convene another meeting regarding health care costs at a later date in 2011 to accept additional proposals and information. Recommendations made by the work group will be included in the annual report filed with the General Assembly as required under Iowa Code section 505.18 regarding health insurance and health care costs.
