General Instructions

The Iowa Insurance Division (IID) is pleased to welcome you to the Regulated Industries Unit (RIU) electronic filing process. If you have problems with the electronic filing process, please send your comments to: preneed.annual.report@iid.iowa.gov.

All annual reports by Financial Institutions and Insurance Companies are due by **March 01**.

Before you log into the RIU Portal, have your CSV File ready:

Using the Insurance Company template on the IID website: <https://iid.iowa.gov/regulated-entities/other/preneed-sales>, create the data submission portion of your Annual Report. Then save the template in Excel using the required file-naming convention: **20XX INS ANRPT Name of Insurance Company**. Next, save that same file as a CSV file. See page 6 for instructions on saving a file as a CSV file.

You will access the RIU Filing portal via this link: <https://iid.force.com/CustomCommunityLogin>.

Bookmark this link for future use.

Steps to access the Filing Portal to file the Annual Report

1. Go to the RIU Filing Portal System Information Web page:
<https://iid.iowa.gov/regulated-entities/other/preneed-sales>. All the filing information regarding the submission of the annual report can be found on this page, including instructions, checklists, Excel templates, forms, codes, and lists.
2. Use Google Chrome to log into the portal, as other browsers may not be supported.
3. Log into the portal using this link: <https://iid.force.com/CustomCommunityLogin>.
4. Select the account.
5. View and either confirm or update your Contact and Account Information. If you want to change your Contact Name or Business Name, you will need to email us at preneed.annual.report@iid.iowa.gov.
6. Select 'View Annual Reports'.
7. Select 'Submit Annual Report for Current Year'.
8. Read and confirm instructions.
9. Answer the checklist questions and save.
10. Upload CSV File.
11. Complete the Attestation.
12. Submit the Annual Report.

Cautions!

1. If you exit the system before you submit your report the system will save your information until March 01. Any partial filings that have not been submitted will automatically be deleted.
2. If you are in the portal and there is **no activity** for 45 minutes, the system will save your progress and log you out.
3. You must use the Excel Template for your type of entity, provided on the RIU Filing Portal Information Page. If you attempt to create your own template the system will not accept it. The template can be used on a Windows or Macintosh operating system.
4. The system will only allow **one** submission of each annual report. If you need to amend or supplement a report that has already been submitted, you will have to contact the RIU.
5. When entering dates, the format of the date is MM/DD/YYYY. Do not add any additional spaces before or after the date. The date may automatically appear as #####, but it is simply the Excel/CSV file shrinking the columns, but the data is still there.
Note: Leading zeros in the month may drop off; however, the leading zeros in the day must remain (e.g. 3/04/2017).
6. If you have more than one transaction involving a preneed contract, only the first transaction should be reported as “New” and the other transactions should be coded as “Cancelled”, “Existing”, or “Serviced”.
7. **The file should be named as follows: 20XX INS ANRPT Name of Insurance Company.**

Insurance Company

EXCEL/CSV File Upload Instructions

Introduction

To submit your annual report, you are required to upload a CSV File. CSV stands for Comma Separated Values. It is a special type of file that allows you to upload your annual report information to the IID Portal. This must be created in Excel. To upload your CSV File through the IID Portal when submitting your annual report, you must first create the file exactly as directed and follow the **special notes** below for it to be accepted as a valid file.

Getting Started

Using Excel, open the Insurance_company.xlsx template file. <https://iid.iowa.gov/regulated-entities/other/preneed-sales>. This is the file you will use to enter your annual report information.

Special Notes

When you enter the data in the file, only add the data/information requested. Do not change anything in the column headers on the Excel template provided by IID. If any of the prefilled column headers is changed, deleted or doesn't appear as expected, the system will not accept your file. **Error message(s) will populate to inform you of any corrections needed. If you are consistently having problems with error messages in the file, you may cut and paste the data into a new template and upload the file again**

Please do not:

- add formulas

- **insert commas or any special characters i.e.; (,) (\$), ('), (&).**
- skip rows
- change the names of the columns in the header row (row 1)
