B. Use of Estimates in the Preparation of the Financial Statement

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

C. Accounting Policy

Premiums on fully insured accident and health plans are billed in advance of their respective coverage periods. Receivables and income for such premiums are recorded at the effective date of the coverage period. Premiums received in advance and any unearned portion of premiums are recorded on the balance sheets as premiums received in advance and unearned premiums and reported as income when earned.

Expenses incurred in connection with acquiring new insurance business, including acquisition costs such as sales commissions, are charged to operations as incurred. Other costs, such as underwriting expenses, are also charged to operations as incurred.

In addition, the Company uses the following accounting policies:

- (1) Basis for Short-Term Investments Not Applicable.

Note 25 - Change in Incurred Losses and Loss Adjustment Expenses

A. Change in Incurred Losses and Loss Adjustment Expenses

The Company's reserves for incurred claims and claim adjustment expenses attributable to insured events of prior years have decreased \$762,942 from \$814,000 in 2018. Because unpaid claims are estimated based on past experience and accumulated statistical data, the Company's actual benefit payments have varied from the original estimates.

B. Information about Significant Changes in Methodologies and Assumptions

There have been no significant changes in methodologies and assumptions used in calculating the liability for unpaid losses and loss adjustment expenses.
