with its home office located at 601 6th Ave, Des Moines, Iowa.

INTRODUCTION

Medico Insurance Company, hereinafter referred to as the "Company", was last examined as of December 31, 2015 by examiners of the Nebraska Department of Insurance ("NE DOI").

The examination was conducted in accordance with the National Association of Insurance Commissioners ("NAIC") Financial Condition Examiners Handbook. The Handbook requires that the Division plan and perform the examination to evaluate the financial condition, identify current and prospective risks of the company and evaluate system controls and procedures used to mitigate those risks. An examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles.

The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination, an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

The examination report includes significant findings of fact and general information about the insurer and its financial condition.

HISTORY

The Company, formerly Mutual Projective Insurance Company and originally Central Catholic Casualty Company, was incorporated under the laws of the State of Nebraska on April 26, 1930, as a mutual assessment health and accident association and commenced business as such on that same date. By amendment to the Articles of Incorporation on May 20, 1946, the plan of operation was changed from that of a mutual assessment association to a mutual legal reserve casualty company.

By amendment to the Articles of Incorporation on March 14, 1952, the name of the Company was changed from Central Catholic Casualty Company to Central Catholic Insurance Company. On February 15, 1957, the Articles of Incorporation were again amended to change the name to Mutual Protective Insurance Company.

The Company amended its Articles of Incorporation and By-Laws on March 26, 2003 and May 9, 2003, respectively, to authorize the writing of life insurance business. Prior to this, the Company was authorized to write only accident and health insurance.

As part of its efforts to convert to a mutual insurance holding company structure, the Company, on August 4, 2005, amended its Articles of Incorporation and By-Laws to reorganize to form a stock insurance company and change its name to Medico Insurance Company. On September 19, 2005, the NE DOI approved the Company's application to reorganize and to change its name. Additionally at that time, the Department approved the creation of an intermediary stock holding company (Medico Holdings, Inc.), and a mutual insurance holding company (Medico Mutual Holding Company). These changes became effective on January 1, 2006.

On September 28, 2007, the Company and Ability Resources, Inc. completed a transaction though which the Company sold its long term care insurance block and its subsidiary Medico Life Insurance Company to Ability Resources, Inc. The sale of the subsidiary was approved by the NE DOI on September 26, 2007.

On July 1, 2012, the Company became part of the American Enterprise Mutual Holding Company organization ("AEMHC") after approval by the NE DOI and the Division. Upon consummation of the transaction, the Company became a direct owned subsidiary of American Enterprise Group, Inc. ("AEG").

Following approval from the Division and the NE DOI, the Company re-domesticated from Nebraska to Iowa, effective January 1, 2017.

RELATED PARTY AGREEMENTS

Shared Services Agreement

Effective July 1, 2015, AEMHC and all of its subsidiary companies became parties to a Shared Services Agreement. The Agreement allows American Enterprise Services Company ("AES"), as the employer of all employees in the AEMHC system and wholly owned subsidiary of AEG, to provide employee services and then allocate related employee expenses to all other affiliate companies. The Agreement details the procedure for the affiliate companies to determine expense allocations annually related to these services, as well as for their review and reconciliation.

Consolidated Tax Allocation Agreement

AEMHC, AEG, the Company and its affiliates are parties to a Tax Allocation Agreement that provides for the allocation of certain tax benefits in the filing of a consolidated tax return.

EMPLOYEE WELFARE

AES is the sponsor of the American Enterprise 401(k) savings plan, under which the employees of the Company participate in a qualified defined contribution plan. Disability, dental and health insurance benefits are provided on a contributory basis through a cafeteria plan.

REINSURANCE

The reinsurance contracts of the Company were reviewed and no contract provisions were found to be outside the custom of the industry. All contracts had acceptable insolvency clauses and transfer of risk.

Assumed

Immediately prior to the stock sale transaction of Medico Life Insurance Company ("MLIC"), now Ability Insurance Company ("Ability"), to Ability Resources, Inc., the Company entered into a definitive agreement dated September 28, 2007 to purchase MLIC's non-long-term care business, which includes Medicare supplement, short term care, final expense, and other health and life business. The agreement was initially recorded as a 100% indemnity reinsurance agreement.

As part of this agreement, the Company and Ability have undertaken a joint novation program to novate all non-long-term care policies from Ability to the Company. This novation process was expected to occur over a period of two years, but was never fully completed due to lack of regulatory and/or policyholder approval. As a result, the Company and Ability entered into a 100% quota share reinsurance agreement, also effective September 28, 2007. The

purpose of this agreement is for the Company to assume 100% of the liability for policies which have not been novated, and to ensure the liability related to policyholders who decline to novate their policies is transferred to the Company.

As of December 31, 2020, the novation process had ceased, and no states have approved novation since 2012. There were 1,116 policies still in force of the original 44,209.

In coordination with the Company assuming all of Ability's non-long-term care business, the Company, Ability, and the applicable reinsurers entered into an assignment of reinsurance on life and annuity reinsurance that was currently running off to replace Ability with the Company as the reinsured.

Effective February 2, 1961 the Company entered into a quota share reinsurance agreement that assumed 100% of the Knights of Columbus business. The agreement was cancelled on May 31, 1967. This agreement is in runoff and as of the exam date there were still several policies in-force.

Ceded

Effective January 1, 2020, the Company entered into an intercompany coinsurance funds withheld agreement to cede a 100% quota share of the Company's remaining retained business to ARIC.

Effective July 1, 2012, the Company entered into an intercompany coinsurance agreement to cede a 100% quota share of certain A&H and life products to ARIC.

Effective July 1, 2011, the Company entered into a quota share reinsurance agreement with General Re Life Corporation ("GRLC"). The Company cedes 50% of certain Medicare supplement products. There is a 5.5% ceding allowance with a 1.75% premium tax allowance based on earned premium. Commissions are paid on a pro-rata basis. This agreement was terminated for new business on and after December 31, 2014.

Effective December 1, 2009, the Company entered into an automatic coinsurance reinsurance agreement with RGA Reinsurance Company ("RGA"). This quota share agreement cedes 40% of the Company's Short-Term Recovery Care product, including survivorship and inflation protection riders. There is a ceding allowance of 21.5% on renewal policies based upon collected premium. This agreement is active with no new business effective on or after January 1, 2013.

Effective April 1, 2008, the Company entered into a Medicare Supplement Reinsurance Agreement with RGA. The reinsurance agreement is a 50% quota share whereby the Company cedes 50% of liabilities associated with Medicare Supplement Policy forms MSA 10 and 11. The agreement is still active but is terminated on new business on and after May 31, 2010. There is a ceding allowance of 2.3% to 3.3% based upon collected premium and the in-force amounts.

Effective September 28, 2007, the Company entered into a Medicare supplement quota share reinsurance agreement with GRLC. The Company is ceding 90% of the business in force issued on or after that date which is specifically related to the Medicare supplement that is assumed from Ability. There is a ceding commission that ranges from 1.5% to 3.5%. There is also a premium tax allowance of 2.5% based on the earned premium. In addition, GRLC pays the Company \$6.25 per policy with an annual 4% increase. Commissions are paid on a pro-rata share basis. This agreement is terminated for new business on and after December 31, 2004.

Effective September 28, 2007, the Company entered into a facultative excess of loss reinsurance agreement with American United Life Insurance Company. The agreement was originally set up with MLIC in 1969 and then was transferred to the Company upon the sale of MLIC in 2007. The agreement was terminated for new business effective October 1, 1995. Reinsurance ended in 2019 when the net amount of life reinsurance became less than \$1,000.

Effective September 28, 2007, the Company entered into a quota share reinsurance agreement with Reliastar Life Insurance Company ("RLIC"). Under this agreement, the Company cedes 90% of the flexible premium annuity policies. RLIC administers this business.

Effective September 28, 2007, the Company entered into an excess loss reinsurance agreement with Swiss Re Life & Health America. This agreement was originally between MLIC and Republic National Life Insurance Company with an effective date of November 21, 1969. Upon the sale of MLIC in 2007, the agreement was transferred to the Company. The agreement has retention rates for standard and substandard life policies and all based on tables within the agreement.

The Company retains anywhere from \$1,000 to \$10,000, depending on policy type and age issuance. The net amount of life reinsurance is reinsured by the initial amount of reinsurance less the interpolated cash value accumulated under the original policy. Reinsurance is terminated when the net amount of Life reinsurance becomes less than \$1,000. Agreement also has AD&D coverage with no retention by the Company.

In conjunction with the assumption reinsurance agreement between the Company and Ability entered into on September 28, 2007, discussed above, the Company entered into a 100% quota share reinsurance agreement with Ability, also effective September 28, 2007, to cede 100% of the liability for long-term care policies underwritten by the Company, which have not been novated, and to ensure the liability related to long-term care policyholders who decline to novate their policies is transferred to Ability.

Effective April 1, 2000, the Company entered into a Medicare supplement quota share reinsurance agreement with GRLC. The Company is ceding 90% of the business in force issued on or after that date. There is a ceding commission that ranges from 1.5% to 3.5%. There is also a premium tax allowance of 2.5% based on the earned premium. In addition, GRLC pays the Company \$6.25 per policy with an annual 4% increase. Commissions are paid on a pro-rata share basis. This agreement is terminated for new business on and after December 31, 2004.
