

IN THE MATTER OF
CONSECO LIFE INSURANCE COMPANY, ET AL
REGULATORY SETTLEMENT AGREEMENT

WHEREAS, the Insurance Commissioner of the State of California, the Insurance Commissioner of the State of Florida, the Insurance Commissioner of the State of Iowa, the Insurance Commissioner of the State of Indiana, and the Insurance Commissioner of the State of Texas (collectively the "Lead Regulators") have conducted a multi-state examination regarding allegations related to the sale, administration and management of Consec Life Insurance Company's Lifetrend life insurance policies; and

WHEREAS, the Lead Regulators have also conducted a multi-state examination of the processes Consec Life Insurance Company, Consec Insurance Company, Consec Health Insurance Company, Bankers Life and Casualty Company, and Washington National Insurance Company (collectively with Consec Life the "Consec Companies") use to identify, manage, and correct policy administration issues; and

WHEREAS, the Lead Regulators and the insurance regulators of each of the remaining states and the District of Columbia that agree to approve this Agreement (the "Participating Regulators") (collectively the Lead Regulators and Participating Regulators are referred to as "Signatory Regulators") desire to enter into an Agreement with Consec Life to resolve the allegations related to the Lifetrend life insurance policies; and

WHEREAS, the Signatory Regulators desire to enter into an Agreement with the Consec Companies to address the manner in which the Consec Companies identify, manage and correct policy administration issues.

NOW, THEREFORE, in consideration of the payments and the respective representations, agreements and conditions hereinafter set forth, and intending to be legally bound hereby, the Lead Regulators and the Consecos Companies on this 28th day of May, 2010 ("Execution Date") hereto agree as follows.

Part I. Definitions

For purposes of this Agreement the following terms shall have the following meanings:

“Agreement” means this Regulatory Settlement Agreement.

“Day” means calendar day.

“Death Benefit” means the definition used in the Lifetrend Policy for the death benefit.

“Effective Date” means the date this Agreement is executed by insurance regulators of 35 jurisdictions with a combined Lifetrend policy count that exceeds 75% of the total policy count of all Lifetrend policies as set out by Exhibit A.

“Election Form and Release” means the forms on which each Lifetrend Policyowner may elect one of the optional additional policy benefits (i) a Face Amount Reduction, (ii) a Reduced Paid-Up Policy, and if eligible, (iii) to participate in the Settlement Pool.

“Eligible Lifetrend Policyowner” means a Lifetrend Policyowner who has not either (i) missed no more than one Scheduled Premium payment as of September 1, 2008, provided the number of annual premiums paid exceeds the number of years set by the policy form’s illustration software to show the limited pay or vanish option; or (ii) been sent a letter by Conseco Life or a predecessor company specifically stating the Lifetrend Policyowner had been placed on the Continuation of Insurance Provision of his/her policy prior to September 1, 2008. An Eligible Lifetrend Policyowner is eligible to participate in the Settlement Pool.

“Enhanced Continuation of Insurance Provision” (ECOI) means an extra-contractual benefit unilaterally conferred on Lifetrend Policyowners by Conseco Life which allows Lifetrend Policyowners to make flexible premium payments at any time. The ECOI will

also provide Lifetrend Policyowners with the option to maintain supplemental benefits provided by riders.

“Execution Date” means the date the Agreement is executed by the Conseco Companies and the Lead Regulators.

“Face Amount Reduction” means a reduction in the Sum Insured under the policy pursuant to the election of an Optional Additional Policy Benefit by a Lifetrend Policyowner as described in Paragraph 37.

“Guaranteed Cash Values” also known as “Guaranteed Policy Values” means the policy values shown on the Policy Data Pages of the Lifetrend policies.

“Lead Regulators” means the California, Florida, Indiana, Iowa and Texas Departments of Insurance and their respective Commissioners of Insurance.

“Lifetrend Policyowner” means an individual person who as of September 30, 2008 owned one or more Lifetrend policies from the Lifetrend Policy series I, II, III, IV, V and VII, except for those policyholders who have either (i) claimed or received a death benefit or (ii) have surrendered their policy and does not reinstate the policy under the provisions of Paragraph 62.

“Monthly Anniversary Date” means the monthly recurring date of the policy date set forth on the Policy Data Page of the individual Lifetrend policies.

“Net Cash Value” means the cash value of the accumulation account of the Lifetrend policy, less the surrender charge, if any, less any indebtedness.

“Non-Guaranteed Elements” means Cost of Insurance rates and monthly expense charges.

“NGE Changes” is defined in Paragraph 15.

“Optional Additional Policy Benefits” means the Face Amount Reduction and Reduced Paid-Up Policy provided for in this Agreement.

“Optional Premium Payment Provision” or “OPPP” is defined in Paragraphs 5 and 8.

“Overloan” means when the total indebtedness of a policy equals or exceeds the cash value of the policy.

“Participating Regulator” means the state insurance regulators (including the insurance regulator of the District of Columbia), other than the Lead Regulators, that approve and execute this agreement.

“Reduced Paid-Up Policy” means the act of reducing the sum insured of a Lifetrend policy to an amount chosen by the Lifetrend Policyowner pursuant to the election of an Optional Additional Policy Benefit as described in Paragraph 37.

“Reinstatement Letter” is defined in Paragraph 62.

“Required Additional Policy Benefits” means the Enhanced Continuation of Insurance Benefit and the Extended Protection from Policy Termination benefits provided by this Agreement.

“Scheduled Premium” means the annual premium as listed on a Lifetrend Policyowner’s policy data page. If the premium is paid other than annually, the Scheduled Premium is the annual total of the premium as listed on the Lifetrend Policyowner’s policy data page.

“Settlement Pool” means the amount of funds set aside by Consec Life for apportionment among Eligible Lifetrend Policyowners who elect to participate in the Settlement Pool.

"Shortfall Amount" is a term used by Conseco Life to indicate the amount needed to increase the accumulation account value to exceed the sum of the guaranteed cash value plus surrender chargers and any indebtedness to continue to qualify for the Optional Premium Payment provision of certain Lifetrend Policies.

"Shortfall Notice" is defined in Paragraph 19.

"Signatory Regulators" collectively means the Lead States and Participating Regulators.

"Surrendered Policy" means any Lifetrend III, IV-87, IV-93, and IV-95 policy that was surrendered after October 7th 2008, except for (i) those policies that were surrendered after the policyowner provided Conseco Life with written documentation independently confirming his or her awareness of the Moratorium and his or her desire to proceed with the requested surrender or (ii) those policies that were surrendered after the policyowner was provided written notification of the Moratorium but did not withdraw his or her surrender request after being informed of the option to do so.

"Termination Date" means the date on which the later of the conclusion of the forty-eight month period following the implementation of the NGE changes authorized by Paragraphs 56 and 57 respectively or the completion of the independent assessment provided for in Paragraph 60 occurs.

"Under Funded" is the term used by Conseco Life to refer to the situation wherein a policy no longer meets the requirements of the Optional Premium Payment Provision of certain Lifetrend Policies.

Part II. Lifetrend Policies

A. Recitals

1. Consec Life is an Indiana corporation and at all relevant times was a licensed insurance company in 49 states and the District of Columbia.

2. Consec Life is a direct subsidiary of Washington National Insurance Company, an Illinois insurance company. Washington National Insurance Company is a direct subsidiary of CDOC, Inc., a Delaware corporation, with its principal place of business in Carmel, Indiana. CDOC, Inc. is a subsidiary of Consec, Inc., a Delaware corporation, with its principal place of business in Carmel, Indiana.

3. Between 1978 and 1996, Massachusetts General Life Insurance Company ("MGL") and Philadelphia Life Insurance Company ("PLI"), both subsidiaries of the Life Partners Group, designed, sold, and administered a group of interest sensitive whole life insurance policies collectively referred to as "Lifetrend" policies. Consec, Inc. acquired control of Life Partners Group, MGL and PLI in 1996. Following that acquisition, MGL and PLI continued to market the Lifetrend products through 1997 and to administer them using the administrative system developed by Life Partners Group. The administrative system is commonly referred to as the CK4 Administrative System. In 1997, MGL was renamed Consec Life, and in 1998, PLI was merged into Consec Life. Most Lifetrend policies were sold prior to Consec Inc.'s acquisition of control of MGL and PLI.

4. At the time the Lifetrend policies were sold between 1978 and 1997, certain marketing materials, presentations, and policy illustrations for Lifetrend policy forms within the I, II, III, IV, V and VII series that were prepared by MGL and PLI for

agent use only, contained references to “vanishing premiums” and “paid-up policies.” For example, agent marketing material issued by PLI stated that for Lifetrend III, IV and V policies “[b]ased on the ‘minimum’ guaranteed interest rate of 4 1/2% and ‘current’ expenses charges and mortality, all products will illustrate favorably under a Vanish Pay assumption.” [Interest-Sensitive Lifetrend Series Product Specifications Brochure – Form 83221A]. A “Product Hotline” brochure - Form 53227B – for agents issued by PLI regarding the sale of Lifetrend III, IV and V was captioned “Interest Sensitive Whole Life with a 5 Year Vanish.” (emphasis in original). Likewise, Lifetrend III and IV were individually marketed to agents with brochures using the caption “A Fixed Premium Interest-Sensitive Whole Life Policy With Vanish Option.” (emphasis added). The Lifetrend III and IV marketing brochures (Form NP-WL- 86), also stated:

Premiums: Premiums are fixed and may be paid continuously, however, the insured has the option after the payment of 5 year’s premiums of “vanishing” or limiting premium payments, thereby creating a “paid-up” policy based on current interest, mortality and expenses assumptions.

(emphasis in original).

5. Agents were provided disks containing software for use in preparing policy illustrations to be shown to prospects for the purpose of selling Lifetrend policies. For most of the Lifetrend policy forms within the I, II, III, IV, V and VII series, the software defaults were commonly set to show the limited pay and vanish payment options at five years using the Optional Premium Payment Provision (“OPPP”) contained in the policies. For Lifetrend policy forms III, IV-87, IV-93, IV-95, and V, current assumptions used in policy illustrations shown by agents to prospects demonstrated a five annual payment contract with cost of insurance and expense charges that ceased after a

certain number of years, typically after eight years. In some cases, for Lifetrend IV-97, the illustration vanish pay option default was set to show ten or more years.

6. Consec Life did not charge policyowners cost of insurance for Lifetrend III, IV (except Lifetrend IV-97), V and VII policies or charge policyowners monthly expense charges for Lifetrend IV, V and VII policies, after the policies had been in effect for eight (8) years. For Lifetrend III policies, Consec Life did not charge the monthly per unit expense charge or COI charge in years nine (9) and thereafter, but did charge monthly per policy expense charges in all policy years. The Lifetrend I, II, and IV-97 policies have had the cost of insurance charges and monthly per policy expense charges in effect for all policy years.

7. All Lifetrend policies contain language indicating that the premium payments are payable either for life or until a maturity date as set forth in the policy. The Lifetrend Policyowner may elect to exercise rights under the OPPP.

8. The OPPP language found in most Lifetrend policies allows Lifetrend Policyowners, under conditions as defined in the policy, to make premium payments in amounts less than the premium due or to forego premium payments altogether. In pertinent part, the OPPP states:

On any premium due date on or after the fifth policy anniversary the owner may elect in writing, prior to the end of the grace period to pay: an amount which is less than the premium then due on the policy. After such payment the amount remaining in the accumulation account must exceed the sum of: the then guaranteed cash value; plus the then applicable surrender charge; and any debt.

9. When the policy no longer meets the OPPP requirements premium payments are again required to keep the policy in force pursuant to the policy language.

10. Lifetrend policy terms indicate that if a policyowner fails to remit a premium in an amount sufficient to continue to meet the OPPP requirements, the policy becomes subject to the Non-Forfeiture Provision. The automatic nonforfeiture option is the Continuation of Insurance provision. Under the Continuation of Insurance provision, all riders terminate, no further premium payments are allowed, and the policy terminates when the remaining cash value is insufficient to cover the monthly deductions.

11. In many instances, Lifetrend III, IV and V policyowners submitted letters to Consec Life electing the option to exercise the OPPP on or after the fifth policy anniversary. Lifetrend Policyowners who stopped paying premiums after the fifth policy year but who met the OPPP requirements were also placed on OPPP by Consec Life or its predecessors.

12. Consec Life, or its predecessors, sent letters to Lifetrend Policyowners confirming their placement into the OPPP. The letters included language identical to or similar to the following:

We have placed your policy on the optional premium payment provision.

Under this option, regular scheduled billings will not generate. However, at any time within a 12-month period, you may contribute additional payments up to the scheduled annual premium.

Should at any time the policy's net cash value (accumulation account less surrender charge, less indebtedness) become insufficient to cover the monthly deductions, a premium notice will be sent.

The actual length of time the coverage remains in force under the optional payment depends upon future interest rates and the insured's age and sex.

If you need assistance or have any questions, please contact us.

13. The CK4 Administrative System that Life Partners Group developed and Consec Life continued to use to administer the Lifetrend policies did not fully support the analysis or calculations required to automatically generate premium notices to Lifetrend Policyowners when the amount remaining in the accumulation account no longer exceeded the sum of the then guaranteed cash value plus the then applicable surrender charge and any indebtedness as required to maintain the policy under OPPP.

14. During the course of the examination, Consec Life informed the Lead Regulators that it became generally aware of the limitations of the CK4 Administrative System several years prior to bringing the issue to the attention of state regulators. Consec Life represented to the Lead Regulators that it was researching the limitations of the CK4 Administrative System and developing a plan to address those limitations during the time period when it became aware of the limitations of the CK4 Administrative System. Consec Life notified certain Lifetrend Policyowners and certain state insurance regulators of the administrative issues related to the CK4 Administrative System in the third and fourth quarters of 2008. During this period, the Company continued to pay death claims for all Lifetrend policies.

15. In October 2008, Consec Life mailed letters to Lifetrend III, IV-87, IV-93, and IV-95 policyowners informing them that there would be an increase in their monthly Cost of Insurance and expense charges. The changes to the Cost of Insurance rates and monthly expense charges are collectively referred to herein as Non-Guaranteed Elements ("NGE") changes. The letters included the following language:

We are writing to notify you of an increase in your monthly Cost of Insurance ("COI") rates and Expense Charges for the life insurance policy you purchased from Consec Life Insurance Company Under the

terms of your policy, we may adjust your COI rates and Expense Charges subject to the guaranteed maximum amounts shown in your policy. The Company is taking this action because experience factors have differed from those assumed when your policy was originally sold The increase in the monthly deductions from your policy will begin on your next policy anniversary date on or following February 1, 2009.

16. In addition to advising Lifetrend III, IV-87, IV-93, and IV-95 policyowners of the NGE changes, Conseco Life also advised these Lifetrend policyowners in October 2008 of an enhancement to the Non-Forfeiture Provision's Continuation of Insurance section of their policies. Specifically, these Lifetrend policyowners were advised of the following:

To provide you with additional flexibility to manage your coverage, the Company is enhancing the Non-Forfeiture provision of your policy as follows: (1) the Company will allow you to make flexible premium payments to keep your policy in-force under the Continuation of Insurance provision described above; (2) the Company will keep all policy riders and benefits in force while the policy is administered under Continuation of Insurance; (3) the Company will allow you to establish premium billings for your policy when it is on Continuation of Insurance so you can extend the time that your policy will remain in force.

17. For purposes of this Agreement, this enhancement shall be referred to as Enhanced Continuation of Insurance ("ECOI"). Under the ECOI, Lifetrend Policyowners may: (i) make flexible premium payments to keep their policies in force; (ii) keep all policy riders and benefits in force while the policies are subject to the Continuation of Insurance section; and (iii) re-establish premium billings while the policy is subject to the Continuation of Insurance section to extend the time that the policies remain in force.

18. Some of the Lifetrend III, IV-87, IV-93 and IV-95 policyowners who received the October 2008 letters were also informed that their Lifetrend policies were Under-Funded. Specifically, Conseco Life advised these Lifetrend Policyowners:

Due to administration issues related to your policy, you may not have previously been informed that your policy is Under Funded and additional premiums were required. Despite this administrative issue, your policy has remained in effect and would have provided a death benefit if the insured had passed away. We have addressed this administrative issue and in the future you will receive a shortfall notification at any point in time when your policy is Under Funded. Upon receiving this shortfall notification, you will have 60 days to remit a payment so your policy meets the OPPP requirements.

19. In November 2008, Conseco Life distributed the short-fall notifications referenced in Paragraph 18 ("Shortfall Notices"). The Shortfall Notices informed certain Lifetrend Policyowners of the need to remit payment to Conseco Life no later than January 2009. The Shortfall Notices stated, in part:

This policy has reached a point where it can no longer be maintained under the Optional Premium Payment provision. The current accumulation account value no longer exceeds the sum of the guaranteed cash value plus the surrender charge and any debt. The payment amount requested represents the shortfall payment required to maintain the policy's guaranteed values.

The requested payment must be received in the Home Office no later than (January 2009). If the payment requested is not received by the due date, the policy will be placed on its Nonforfeiture Provision of Continuation of Insurance.

Upon receipt of this payment, your policy will resume regular premium billings on a quarterly basis. You may contact our office if you would like to request a mode other than quarterly billings.

20. From the time of purchase of a Lifetrend III, IV-87, IV-93, IV-95 and V, Lifetrend policyowners received annual statements from Conseco Life or its predecessor companies. These annual statements demonstrated positive growth in the cash value of the policy over many years and failed to specifically state that policies were Under-Funded.

21. After receiving consumer complaints regarding the Shortfall Notices, the Iowa Insurance Division issued a Cease and Desist Order on December 9, 2008 announcing a review of all advertisements and illustrations used in connection with the sale of the Lifetrend Policies and other products known as Conseco Indexed Universal Life 3+ (CIUL 3+), Guaranteed Universal Life 2000/3000 (GUL 2000/3000). Conseco Life was ordered to cease and desist (1) attempting to collect any premiums for alleged under-funding of policies; and (2) to place in a segregated account all payments collected from policyowners for the alleged Under-Funded payments and increases in cost of insurance and expense charges.

22. On December 12, 2008, Conseco Life and the Indiana Department of Insurance, as the domestic regulator, agreed to place a "moratorium" on the implementation of the NGE Changes and Conseco Life's attempts to collect amounts by which certain Lifetrend policies were underfunded. The Indiana Commissioner sent a notification to all Departments of Insurance notifying them of the moratorium and Conseco Life sent a letter to all Lifetrend III and IV Policyowners informing them of the same action.

23. Prior to receiving the letter notifying them of the moratorium, some Lifetrend III and IV Policyowners paid the amounts requested in the Shortfall Notices. Conseco Life applied the payments to policyowner account values where those payments have earned interest at the rate(s) set forth in the policies.

24. After receiving consumer complaints regarding the Shortfall Notices, the Florida Office of Insurance Regulation issued an Order to Show Cause on December 22, 2008, which directed Conseco Life to show cause why its Lifetrend activities should

not result in revocation or suspension of its Florida certificate of authority. On January 9, 2009, the Florida Office of Insurance Regulation called a market conduct examination of Conseco Life regarding consumer complaints and other related data.

25. In January 2009, the Insurance Commissioner of the State of Florida and the Insurance Commissioner of the State of Iowa joined with the Insurance Commissioner of Indiana and the Insurance Commissioner of the State of Texas to call a multistate market conduct examination of Conseco Life to review the NGE adjustments announced in the October and November of 2008 letters as well as the sales, administration and management of the Lifetrend policies ("Multistate Examination"). The Insurance Commissioner of the State of California joined the Multistate Examination in August 2009.

26. The Lead Regulators' review of the Lifetrend policies included the following issues:

- a. Whether any marketing or advertising materials used by Conseco Life or its predecessors for the Lifetrend policies contained any false or misleading information;
- b. Whether Conseco Life or its predecessors engaged in sales practices that misrepresented the benefits, advantages, or terms of the Lifetrend policies;
- c. Whether any communication by Conseco Life or its predecessors was misleading to Lifetrend Policyowners;
- d. Whether the Company had failed to properly manage or administer the Lifetrend policies; and

e. Whether Consec Life and its predecessors properly determined NGE changes made to the Lifetrend policies.

27. For Lifetrend policy forms I, II, III, IV, V and VII, the Lead Regulators allege that violations have occurred related to the issues under review identified in Paragraph 25. Consec Life and or its predecessors also marketed series VI and VIII Lifetrend Policies. The Lead Regulators also reviewed these policies as part of the Multistate Examination, but make no allegations regarding the sales, marketing, or administration of the Lifetrend VI and Lifetrend VIII policies except as to matters that may arise from the issues covered by Part III of this Agreement.

28. Consec Life does not admit or concede any actual or potential fault, wrongdoing or liability in connection with any facts or claims that have been or could have been alleged against it.

29. The Lead Regulators and Consec Life consider it desirable to resolve allegations set forth in Paragraph 27 pursuant to this Agreement as it will provide benefits to Consec Life's policyowners and insureds.

30. As a result of the ongoing Multistate Examination, the Lead Regulators engaged in discussions with Consec Life with respect to concerns regarding the proposed NGE Changes; the Company's attempt to collect additional premiums for under-funded policies; the sales, administration and management of the Lifetrend policies; the application of the OPPP; the development of a Corrective Action Plan ("CAP") to address those concerns for the benefit of the Company's policyowners; and a means of providing for the enforcement of the CAP. After extensive discussion and

exchange of information, Conseco Life and the Lead Regulators agreed to a CAP as set forth in this Agreement to resolve these issues.

B. Corrective Action Plan

31. Conseco Life will implement a CAP that includes the following provisions and as further detailed below:

- a. Provision of Required and Optional Additional Policy Benefits;
- b. Establishment of a Settlement Pool in which certain Eligible Lifetrend Policyowners may elect to participate;
- c. Election Notices;
- d. Institution of NGE changes as provided for by this Agreement;
- e. Reinstatement of Surrendered Policies;
- f. Refunds of Shortfall Payments;
- g. Reporting; and
- h. Monitoring.

32. During the pendency of the CAP, Conseco Life will not make any changes to the administration of the Lifetrend policies, except those changes explicitly set forth in or contemplated by this Agreement, without the prior approval of the Lead Regulators.

1. Additional Policy Benefits

a. Required Additional Policy Benefits

i. Enhanced Continuation of Insurance

33. Conseco Life shall amend all Lifetrend policies to make permanent the ECOI benefit. The amendment shall be in the form of an endorsement which will allow Lifetrend Policyowners to make flexible premium payments at any time. Flexible premium payments must be pre-approved by Conseco Life where those payments

would exceed the originally scheduled policy premium and may trigger corridor factor adjustments to the death benefit.

34. The ECOI benefit shall provide Lifetrend Policyowners with the option to maintain supplemental benefits provided by riders.

35. Consec Life shall deliver an endorsement in the form attached hereto as Exhibit B, to all Lifetrend Policyowners in a jurisdiction represented by a Signatory Regulator. Until the endorsements are delivered, Consec Life will continue to provide the ECOI benefit. The Lead Regulators have reviewed and approved the form attached hereto as Exhibit B. By signing this Agreement, each Signatory Regulator agrees that it has reviewed and will approve a form filing as stated in Exhibit B.

ii. Extended Protection from Policy Termination

36. Prior to the expiration of the time for Lifetrend Policyowners to elect the Optional Additional Policy Benefits, Consec Life shall not terminate the policy of any Lifetrend Policyowner who received the communications described in Paragraphs 15 and 19 of this Agreement for failure to make a premium payment. This Paragraph 36 is not intended to prevent Lifetrend Policyowners from exercising their right to surrender a policy pursuant to the policy's surrender provisions, nor does it preclude termination following the payment of a death benefit. In the event Consec Life receives a request to surrender a policy prior to the expiration of the time for Lifetrend Policyowners to elect the Optional Additional Policy Benefits, Consec Life shall advise the Lifetrend Policyowner of the benefits available under this Agreement prior to acting upon the surrender request. Consec Life shall prepare a form response to a surrender request

and shall submit such response to the Lead Regulators for approval within 30 days of the Effective Date of this Agreement.

b. Optional Additional Policy Benefits

37. In addition to providing the required additional policy benefits, Conseco Life shall make the following two options available to all Lifetrend Policyowners. Conseco Life shall not offer an Optional Additional Policy Benefit to a policyowners whose policy provides the equivalent of the Optional Additional Policy Benefit.

i. Face-Amount Reduction.

Conseco Life shall allow all Lifetrend Policyowners as of September 30, 2008, a one-time opportunity to reduce the face amount of their policies to an agreed-upon amount as requested by the Lifetrend Policyowners. Further premium payments may be due from Lifetrend Policyowners electing this option. Conseco Life will not deduct any surrender charge from the accumulation account in determining the amount available to purchase a reduced face amount policy. Unless their policy already contains a face amount reduction provision, Conseco Life may require any Lifetrend Policyowner that elects this option to execute and return a release before this optional benefit is provided.

ii. Reduced Paid-Up Policy

Conseco Life shall allow all Lifetrend Policyowners as of September 30, 2008, a one-time opportunity to elect a reduced paid-up policy without any further premiums due. Conseco Life will compute the amount of death benefit that the accumulation account minus any indebtedness would purchase based on a single premium calculated by using the respective policy's guaranteed cost of insurance rate and guaranteed

interest rate. Unless their policy already contains a reduced paid-up provision, Consec Life may require any Lifetrend Policyowner that elects this option to execute and return a release before this optional benefit is provided. If a Lifetrend Policyowner elects either a face amount reduction or a reduced paid-up policy pursuant to paragraph 37(i) or 37(ii), the Lifetrend Policyowner shall be provided a confirmation of his or her election in the Form of Exhibit C. The Lead Regulators have reviewed and approved the form attached hereto as Exhibit C. By signing this Agreement, each Signatory Regulator agrees that it has reviewed and will approve a form filing as stated in Exhibit C.

2. Settlement Pool

38. Within 30 days of the Effective Date of this Agreement, Consec Life shall establish a settlement pool in the amount of \$10,000,000 for the benefit of Eligible Lifetrend Policyowners ("Settlement Pool"). The funds will be deposited in a segregated account. Accrued interest will be allocated to participating Eligible Lifetrend Policyowners at the time of distribution.

39. Consec Life shall distribute funds from the Settlement Pool to Eligible Lifetrend Policyowners who elect to participate in the Settlement Pool pursuant to the provisions of the Settlement Pool Distribution Plan attached hereto as Exhibit D. Consec Life may require any Lifetrend Policyowner that elects this option to execute and return a release before this optional benefit is provided.

3. Election Notices

40. All Lifetrend Policyowners, as of September 30, 2008, will be notified via first class mail of the opportunity to elect one of the Optional Additional Policy Benefits. The mailing will include an election form and a postage-prepaid envelope addressed to

Conseco Life. The Lifetrend Policyowner Notice shall be in form attached hereto as Exhibit E. The Lifetrend Policyowner Election Form and Release shall be in the form attached hereto as Exhibit F.

41. In addition to being notified of the opportunity to elect one of the Optional Additional Policy Benefits, Eligible Lifetrend Policyowners will also be notified via first class mail of the opportunity to participate in and receive a share of the Settlement Pool. The mailing will include an election form and a postage-prepaid envelope addressed to Conseco Life. The Eligible Lifetrend Policyowner Notice shall be in a form attached hereto as Exhibit E. The Eligible Lifetrend Policyowner Election Form and Release shall be in the form attached hereto as Exhibit F.

42. Conseco Life may use electronic means to communicate with Lifetrend Policyowners in a manner as approved by the Lead Regulators.

43. For any mailing to a Lifetrend Policyowner which is returned as undeliverable by the U.S. Postal Service, Conseco Life shall make reasonable efforts to locate the Lifetrend Policyowner using procedures typically used for locating missing policyowners and as mutually agreed to by Conseco Life and the Lead Regulators.

44. Conseco Life shall send a Follow-up Notice and Election Form and Release by certified mail to Lifetrend Policyowners who were sent an Election Notice, but who did not respond by returning an Election Form and Release within thirty (30) days of its mailing. If a Lifetrend Policyowner does not respond to the Follow-up Notice by letter, electronic email or facsimile to the Company within thirty (30) days of the date of its mailing, Conseco Life shall consider that the Lifetrend Policyowner has refused the

offer to receive a distribution and/or elect one of the Optional Additional Policy Benefits. Consecro Life will proceed to provide the Required Additional Policy Benefits.

45. The Company may refuse to honor an election to receive an Optional Additional Policy Benefit or participate in the Settlement Pool for one or more of the following reasons:

- i. the Election Form and Release has not been submitted in a timely manner;
- ii. the Election Form and Release is incomplete;
- iii. the Election Form and Release has not been signed by each owner of the Policy;
- iv. the representations and agreement in the Election Form and Release have been deleted or modified;
- v. the Lifetrend Policyowner has previously signed an agreement, while represented by counsel, pursuant to a settlement of a claim, action, lawsuit or proceeding, pending or threatened, that released the Company from any further claims concerning the Lifetrend policy.

46. If the Company refuses to honor an Election Form and Release for one or more of the reasons set forth in Paragraph 45 or because the Lifetrend Policyowner is not entitled to the option elected, the Company will make reasonable efforts to:

- (i) contact the Lifetrend Policyowner in order to resolve any defects in the Election Form and Release; or
- (ii) return the Election Form and Release to the Lifetrend Policyowner with a letter explaining the reasons for the refusal.

The Company shall retain a copy of all refused Election Forms and Releases for a period of three (3) years following the Termination Date.

47. If the Lifetrend Policyowner does not correct the Election Form and Release within thirty (30) days of the notification under Paragraph 46, the policy will continue until the net cash value is insufficient to cover charges.

48. In the event that a Lifetrend Policyowner objects to the Company's refusal to honor an Election Form and Release by Conseco Life based on Paragraph 45, the objection will be referred to the Lead Regulators to review the objection and decide if the Election Form and Release should be accepted or rejected for the purpose of the Settlement Pool or the Optional Additional Policy Benefits.

49. The Lifetrend policies of Lifetrend Policyowners who do not reply to inquiries from Conseco Life or who otherwise fail to make an acceptable selection for the Optional Additional Policy Benefits under the CAP will continue until the net cash value is insufficient to cover the monthly deduction of the agreed Cost of Insurance and Expense Charges.

50. The Lead Regulators and their designees shall monitor from time to time the Company's training and telephone calls. The Company will establish a toll-free telephone number for consumer inquiries regarding the terms of this Settlement Agreement.

51. Throughout the CAP, Conseco Life shall make all relevant records available to the Lead Regulators, and shall provide progress reports as may be requested by the Lead Regulators.

52. All communications sent to Lifetrend Policyowners and all training materials and scripts used by Consec Life staff or its vendors to implement the terms of this Agreement shall be in a form approved by the Lead Regulators. Each mailed Notice must include a toll-free number for contacting the company, a form to be used in making necessary elections and a postage-prepaid envelope addressed to the company. Only materials approved by the Lead Regulators may be included with the Notices.

53. Consec Life may elect to exclude a Lifetrend Policyowner from the CAP if

- (i) the Lifetrend Policyowner has had his or her claim resolved through litigation or settlement, or

- (ii) the Lifetrend Policyowner has a pending litigation against the Company.

54. If Consec Life elects to exclude a policyowner from the CAP on the basis of Paragraph 53(ii) the Company shall provide a Notice informing the Policy Owner of the benefits available under the terms of this Agreement, the reason(s) for the policyowner's exclusion, and the policyowner's opportunity to elect benefits under the terms of the Agreement if the policyowner dismisses with prejudice the pending litigation. No Lifetrend Policyowner shall be excluded from the CAP on the basis of membership in a purported class in any class action lawsuit pending against the Company. This Agreement neither imposes any obligations upon, nor takes away any rights of any Lifetrend Policyowner who chooses not to participate in the CAP.

55. Consec Life shall maintain proof of mailing for each Notice and financial records of the benefits awarded in the CAP for a period of 3 years after the date of last notice or the date of the Award of Relief, whichever is later.

4. NGE Changes

56. Consec Life may increase the monthly expense charges and the monthly Cost of Insurance rates for Lifetrend III, IV-87, IV-93 and IV-95 policies as follows:

a) Consec Life may increase the monthly Cost of Insurance rates to those described in Exhibit G, multiplied by the following factors:

i) 0.50 on or after September 1, 2010

ii) 0.75 no fewer than nine months after the increase permitted in Paragraph 56(a)(i).

iii) 1.00 no fewer than twelve months after the increase permitted in Paragraph 56(a)(ii).

iv) 1.15 no fewer than twelve months after the increase permitted in Paragraph 56(a)(iii).

b) Beginning in September, 2010, Consec Life may increase the monthly per policy expense charge to \$5.00 per month.

c) Beginning in September, 2010, Consec Life may increase the monthly per unit expense charges to those charges described in Exhibit G. The per unit expense charge shall be subject to a maximum of the lesser of \$.09 per thousand of face amount or \$20.00 per policy per month until August 31, 2014.

Consec Life may implement the changes permitted by this Paragraph 56 on the first policy monthly anniversary date on or after each time period set forth in this Paragraph. In no event shall the monthly cost of insurance rates exceed a Lifetrend

policyowner's contract maximum. Notice of the NGE increases utilizing a per thousand rate analysis will be included as part of the Election Notice.

57. After August 31, 2014, Conseco Life may reduce or increase the monthly per policy or per unit expense charge on any Lifetrend Policy to a level other than the levels provided by Paragraph 56 only if the reduction or increase is consistent with expected expense levels. All future NGE changes, except those explicitly permitted by this Regulatory Settlement Agreement, must follow the process set forth in Exhibit H.

58. Conseco Life may increase the monthly expense charges and the monthly Cost of Insurance rates for Lifetrend V and VII policies as follows:

- a) Beginning on or after September, 2010, Conseco Life may increase the monthly Cost of Insurance rates to those described in Exhibit G.
- b) Beginning on or after September 2010, Conseco Life may increase the monthly per policy expense charge to \$5.00 per month.
- c) Beginning on or after September 2010, Conseco Life may increase the monthly per unit expense charges to those described in Exhibit G. The per unit expense charge shall be subject to a maximum of the lesser of \$.09 per thousand of face amount or \$20.00 per policy per month until August 31, 2014.

Conseco Life may implement the changes permitted by this Paragraph 58 on the first policy annual anniversary date on or after September 1, 2010, provided that the 90 day notification required by the policy has been met. In no event shall the expense charges exceed a Lifetrend policyowner's contract maximum. Notice of the NGE increases will be included as part of the Election Notice.

59. After August 31, 2014, Consec Life may reduce or increase the monthly per policy or per unit expense charge on any Lifetrend Policy to a level other than the levels provided by Paragraph 58 only if the reduction or increase is consistent with expected expense levels.

60. Within sixty (60) days of the conclusion of the twelve (12) month period following the complete implementation of the NGE changes authorized by Paragraphs 56(a)(iv), Consec Life shall notify the Lead Regulators of the opportunity to request an independent assessment to determine whether observed mortality experience differs by more than 10% from the assumed mortality experience used to determine the NGE charges. Observed mortality experience will be considered to differ by more than 10% from the assumed mortality experience if credible additional experience has developed that would support a finding that there is 95% confidence that assumed experience differs from observed mortality. If the Lead Regulators request an independent assessment, the Lead Regulators shall choose from among the three independent actuarial firms submitted by Consec Life to conduct the independent assessment. The cost of an independent assessment conducted pursuant to this paragraph shall be solely borne by Company.

61. Lifetrend policy NGE changes except those authorized by Paragraphs 56 and 58 of this Agreement shall only reflect anticipated changes in actual experience or changes in expected expense levels. For Lifetrend I, II, or IV-97 Policies, any NGE change must reflect anticipated changes in actual experience or anticipated changes in expected expense levels and may only target a present value of \$0.00, or a break-even

result. The Lead Regulators shall monitor Conseco Life's adherence to the NGE change process set forth in Exhibit H.

5. Reinstatement of Surrendered Policies

62. Conseco Life shall prepare a Reinstatement Letter informing Lifetrend Policyowners who were sent the October 2008 Notification and who initiated a surrender of their policies or surrendered their policies prior to December 17, 2008 of the option to reinstate their Surrendered Policy with no evidence of insurability. The Reinstatement Letter shall be in a form approved by the Lead Regulators. To reinstate their Surrendered Policy, the policyowner will be required to repay the surrendered amount to Conseco Life and Conseco Life will credit back any surrender charges assessed. The right to reinstatement shall not be available for policies (i) where the insured is not living at the time of the reinstatement request; or (ii) where Conseco Life provided the policyowner with written notice of the Moratorium and the policyowner confirmed his or her surrender request or the policyowner did not withdraw his or her surrender request after receiving written notification of the Moratorium.

63. Lifetrend Policyowners that choose to reinstate their Surrendered Policy pursuant to Paragraph 62 shall receive the Required Additional Policy Benefits, may elect one of the Optional Additional Policy Benefits and participate in the Settlement Pool. Further, Lifetrend Policyowners that choose to reinstate their Surrendered Policy shall be subject to the NGE changes.

64. Lifetrend Policyowners that choose not to reinstate their Surrendered Policy pursuant to Paragraph 62 may elect to participate in the Settlement Pool only.

65. If a Lifetrend Policyowner does not respond to the Reinstatement Letter or does not return the surrendered amount within thirty (30) days of the date of the letter, Consec Life shall consider the Lifetrend Policyowner to have refused the offer to reinstate the Surrendered Policy.

6. Refund of Shortfall Payments

66. In addition to the other benefits provided by this Agreement, Lifetrend Policyowners who have paid the Shortfall Amount requested by Consec Life will also be offered the one-time opportunity to receive a refund of the shortfall payment plus interest equal to the interest accrued on the payment while in Consec Life's possession.

C. Reporting

67. For a period of five (5) years following the Effective Date of this Agreement, Consec Life shall file with the Lead Regulators semi-annual reports of the financial performance of the Lifetrend policies beginning no earlier than the 2nd fiscal quarter following the Effective Date of this Agreement. In addition to the usual financial information, the report will include: the total amount collected for cost of insurance and a list of policies by policy number that have terminated due to death of the insured with the net amount of the death benefit paid (face amount less account balance). Any report required by this Paragraph 67, shall be filed with the Lead Regulators on or before ninety (90) days following the conclusion of the semi-annual period to which the report refers.

68. On a quarterly basis, beginning no earlier than the first complete fiscal quarter following the Effective Date of this Agreement, Consecro Life shall submit reports to the Lead Regulators that shall include the following information on an aggregated and jurisdiction-specific basis:

- a. The identity of each person to whom it has delivered a Lifetrend Policyowner Notice, including their last known mailing address and policy number;
- b. The identity of each person that responded, either in writing or telephonically, to a Lifetrend Policyowner Notice, including each person's mailing address, policy number, and telephone number, if available;
- c. The identity of each person for whom it received no response to a Lifetrend Policyowner Notice; and
- d. The identity of each person who requested to participate in the Settlement Pool and the amount of benefits received.

Any report required by this Paragraph 68, shall be filed with the Lead Regulators within forty-five (45) days following the conclusion of the fiscal quarter to which the report refers.

D. Monetary Assessment

69. In settlement of the allegations referred to in Paragraph 26, Consecro Life agrees to pay a monetary assessment to the Signatory Regulators in the amount of \$1,000,000.00 under the allocation methodology developed by the Lead Regulators and attached as Exhibit I.

70. The amount payable under Paragraph 69 shall be tendered within twenty (20) business days of the Effective Date of this Agreement.

71. Consec Life shall remit payment to each jurisdiction represented by a Signatory Regulatory in the amount due to that jurisdiction under the allocation methodology developed by the Lead Regulators. Consec Life shall have no obligation hereunder to make payments to any jurisdiction represented by a regulator that does not adopt this Agreement within thirty (30) days of the Execution Date.

72. With respect to any jurisdiction represented by a Signatory Regulator that has adopted this Agreement at or before the Effective Date of this Agreement Consec Life shall remit payment to that jurisdiction within twenty (20) business days of the Effective Date.

73. With respect to any jurisdiction represented by a Signatory Regulator that adopts this Settlement Agreement after the Effective Date, but within thirty days (30) days of the Execution Date, Consec Life shall remit payment to that jurisdiction within twenty (20) business days of that jurisdictions adoption of the Agreement.

E. Monitoring

74. The Lead Regulators, on behalf of and for the benefit of the Participating Signatory Regulators, shall monitor Consec Life's compliance with Part II Lifetrend policies provisions of this Agreement. Compliance with Part II Lifetrend policies provisions of this Agreement will be measured according to Consec Life's full and timely implementation and completion of the CAP.

75. Notwithstanding Paragraph 82, the Indiana Department of Insurance shall conduct a targeted market conduct examination pursuant to Indiana Code § 27-1-3.1 of Consec Life's compliance with the provisions of the CAP set out in this Agreement within five (5) years from the Effective Date. The Indiana Department of

Insurances shall provide a report summarizing the results of that examination to the Lead Regulators, under the confidentiality provisions of Ind. Code § 27-1-3.1.

76. The monitoring of Conseco Life for compliance with the terms of this Part II of this Agreement constitutes an ongoing examination by the Indiana Department of Insurance, as a Lead Regulator, pursuant to Ind. Code § 27-1-3.1 et seq. To the extent permitted by law, the work papers, recorded information, documents, copies of work papers, and documents produced by, obtained by, or disclosed by Conseco Life to the Signatory Regulators, shall be given confidential treatment pursuant to relevant Indiana law.

77. Following the receipt of any report required by Paragraph 67 or 68 of this Agreement, if the Lead Regulators, in consultation with other Participating Regulators, determine that Conseco Life has materially, substantially and consistently failed to comply with the requirements of the CAP, a penalty of up to \$50,000 may be assessed for the material non-compliance.

78. The total of the penalties levied against Conseco Life pursuant to Paragraphs 77 and 98 shall not exceed \$1,000,000.

79. Conseco Life shall retain all legal rights to challenge any finding, assessment, or penalty made during or as a result of the Monitoring of Part II of this Agreement.

80. The reasonable costs of the Lead Regulators in the negotiation, implementation and monitoring of Conseco Life's compliance with Part II of this Agreement, including the cost of conducting any reviews or examinations provided by the Agreement, shall be paid by Conseco Life. Such expenses shall be payable to the

Lead Regulators within thirty (30) days of the presentation of valid receipts. Moreover, reasonable expenses of the Lead Regulators incurred in monitoring Consecro Life's compliance with Part II of this Agreement, including the expenses of conducting or attending any meetings, presentations, or discussions with Consecro Life shall be the responsibility of Consecro Life.

81. Time is of the essence in implementing the provisions of Part II of this Agreement, and the times specified may only be extended for good cause and with the advanced written consent of the Lead Regulators, but such consent of the Lead Regulators shall not be unreasonably withheld.

82. For the period covered by the Term of Part II of this Agreement, each of the Signatory Regulators agrees that such Signatory Regulator and the Signatory Regulator's insurance department will not:

(i) conduct a market conduct examination or engage in any of the continuum of regulatory activities detailed in the NAIC Market Regulation Handbook with regard to Consecro Life relating to the Lifetrend policy issues that are the subject matter of Part II of this Agreement; or

(ii) impose a fine, injunction or any other remedy on Consecro Life for any of the matters that are the subject matter of Part II of this Agreement and may only participate on terms set forth in Part II of this Agreement in any fine or remedy that may be imposed under Part II of this Agreement.

83. Notwithstanding the foregoing, upon notice from any Participating Regulator to the Lead Regulators, the Participating Regulators and the Lead Regulators shall proceed to take any and all appropriate action should Consecro Life violate any

provision of the insurance laws and regulations of the states not subject to Part II of this
Regulatory Settlement Agreement.

Part III. Process and Information Quality Process

A. Recitals

84. Consec Life shares administrative platforms used by certain affiliates. The Lead Regulators expanded the scope of the Multistate Examination to include a review of the process that Consec Life and its affiliates, Consec Insurance Company, Consec Health Insurance Company, Bankers Life and Casualty Company, and Washington National Insurance Company (collectively with Consec Life the "Consec Companies") use to identify, manage, correct and, when required, remediate policy administration issues.

85. In 2008, the Consec Companies began an initiative to improve its process to identify and resolve policy administration issues. The process is called the Process and Information Quality (PIQ) Process.

86. Examiners for the Lead Regulators documented the PIQ Process and items identified within the process and tested its operational effectiveness. The Examiners found the PIQ Process has reasonable and appropriate oversight and governance but identified several concerns regarding timeliness and documentation and made recommendations for improving the functionality of the PIQ Process. A copy of the Examiners' report regarding the PIQ process is available to Participating Regulators for regulatory review upon a request to the Lead Regulators.

B. PIQ Process Reporting

87. For a period of twenty-four (24) months from the Effective Date of this Regulatory Settlement Agreement, the Consec Companies shall provide to the Indiana

Insurance Department quarterly reports ("Quarterly Reports") on the implementation of the PIQ Process, including target dates for completion and the status of each item identified as part of the PIQ Process as of December 31, 2009. Each Quarterly Report shall be due and deliverable to the Indiana Insurance Department within forty-five (45) days following the end of the calendar quarter.

88. The Quarterly Reports shall include an update of the status of the Conseco Companies' efforts to manage the PIQ process and to address the items identified as part of the PIQ Process as of December 31, 2009.

90. The Conseco Companies further agree to provide supporting documentation to the Indiana Insurance Department within fifteen (15) days of a request therefore, including but not limited to specific policy samples, as defined in the PIQ process. The Indiana Insurance Department shall exercise its discretion on whether to impose a fine for a failure to provide requested documentation between the sixteen (16) and twenty-ninth (29) days. Failure to provide the requested documentation by the thirtieth (30) day will result in a fine of \$500 per day for each day past the 30 day requirement payable to the Indiana Department of Insurance. Should the Conseco Companies have reason to believe that the requested documentation cannot be supplied within the timeframe set forth in this paragraph, they shall submit a written request for an extension of time to the Indiana Insurance Department. The written request shall include an explanation of the basis for the request. The Indiana Insurance Department, in its sole discretion, shall determine whether an extension of time to respond is warranted. Determination of whether the monetary penalty is assessed will be at the sole discretion of the Indiana Insurance Department.

91. Should a Signatory Regulator request an identification of the items that have been identified as part of the PIQ process as of December 31, 2009 and subject to monitoring pursuant to Part III of this Agreement, such request will be communicated by the Conseco Companies to the Indiana Insurance Department. Any documentation provided in response to such a request, shall be given confidential treatment pursuant to relevant Indiana law.

C. Monitoring

92. The Lead Regulators, through the Indiana Department of Insurance, on behalf of and for the benefit of the Signatory Regulators, shall monitor the Conseco Companies' compliance with Part III provisions of this Agreement. Compliance with Part III of this Agreement will be measured according to the Conseco Companies' proper administration of the PIQ process as follows:

- i. Compliance with key elements of the PIQ process as defined in the Examiner's report;
- ii. By the end of the 24th month from the Effective Date of this Agreement, the Company will, as a minimum, have completed all items – having a significant policyholder impact as identified in the PIQ Process as of December 31, 2009. The Indiana Department of Insurance shall determine, in cooperation with the Conseco Companies, those items having a significant policyholder impact and rank the appropriate priority and time for completion of each item.

- iii. The Consecos Companies provision of documentation and reporting in a timely manner as provided for in this Agreement;
- iv. Policyholder remediation has been completed as represented by the Consecos Companies.

Failure to meet any of these requirements may result in an administrative fine levied against the individual Consecos Company(ies) involved, pursuant to agreement of the Lead States, including but not limited to: Failure to make administrative system corrections timely or to compensate consumers timely, pursuant to the target completion date and corrective action plan developed by the PIQ management team for a particular PIQ list item. An administrative fine shall be in an amount up to \$50,000, depending on the material failure involved. The fine will be distributed on a pro rata basis to the states in which the affected policyowners reside.

93. The Indiana Department of Insurance's monitoring shall include testing and verifying the Consecos Companies':

(i) compliance with established procedures and initiatives related to the PIQ Process outlined in this Agreement,

(ii) retention and accessibility of records and information,

(iii) meeting of established timelines and benchmarks, and

(iv) proper remediation to policyowners, if required.

94. The Indiana Department of Insurance's monitoring of Part III shall not preclude Signatory Regulators from investigating or examining market conduct issues related to items identified as part of the PIQ Process as of December 31, 2009, such as consumer complaints, claims handling issues, sales and marketing materials, or alleged

misrepresentations of the Conseco Companies or from seeking remediation due to policyholders in their respective states. It is the intent of this Agreement that Signatory Regulators may pursue market conduct regulatory action on matters other than the administrative issues encompassed by the Indiana Department of Insurance's monitoring pursuant to this Part III, except as set out in paragraphs 82 and 83 above.

95. Nothing in Part III of this Agreement affects any investigation, examination or inquiry already initiated or subject to follow-up examination on items identified as part of the PIQ Process prior to the Effective Date of this Agreement.

96. Notwithstanding Paragraph 103, the Indiana Department of Insurance shall conduct a targeted market conduct examination of the Conseco Companies' administration of the PIQ Process set out in this Agreement, including but not limited to whether sufficient progress has been made in that administration, pursuant to Ind. Code § 27-1-3.1, after 2 years from the Effective Date of this Agreement. The Indiana Department of Insurance shall provide a report summarizing the results of that examination to the Lead Regulators, under the confidentiality provisions of Indiana Code § 27-1-3.1.

97. The monitoring of the Conseco Companies for compliance with the terms of Part III of this Agreement constitutes an ongoing examination by the Indiana Department of Insurance, as a Lead Regulator, pursuant to Ind. Code § 27-1-3.1 et seq. To the extent permitted by law, the work papers, recorded information, documents, copies of work papers, and documents produced by, obtained by, or disclosed by the Conseco Companies to the Signatory Regulators, shall be given confidential treatment pursuant to relevant Indiana law.

98. Following the receipt of any report required by Part III of this Agreement, if the Lead Regulators, in consultation with other Participating Regulators, determine the Conseco Companies have failed to comply with any provision of this Agreement, the Lead Regulators may assess a penalty for the material non-compliance. The total aggregate penalty levied against any one of the Conseco Companies pursuant to this Paragraph 98 and Paragraph 92 shall not exceed \$1,000,000.

99. The total of the penalties levied against the Conseco Companies pursuant to Paragraph 98 shall not exceed \$5,000,000.

100. The Conseco Companies shall retain all legal rights to challenge any finding, assessment, or penalty made during or as a result of the Monitoring of this Agreement.

101. The reasonable costs of the Lead Regulators in the negotiation, implementation and monitoring of the Conseco Companies' compliance with Part III of this Agreement, including the cost of conducting any reviews or examinations provided by Part III of the Agreement, shall be paid by the Conseco Companies. Such expenses shall be payable to the Lead Regulators within thirty (30) days of the presentation of valid receipts. Moreover, reasonable expenses of the Lead Regulators incurred in monitoring the Conseco Companies' compliance with this Agreement, including the expenses of conducting or attending any meetings, presentations, or discussions with the Conseco Companies shall be the responsibility of the Conseco Companies.

102. Time is of the essence in implementing the provisions of Part III of this Agreement, and the times specified may only be extended for good cause and with the

advanced written consent of the Lead Regulators, but such consent of the Lead Regulators shall not be unreasonably withheld.

103. During and for the two-year period during which the Conseco Companies are obligated to provide Quarterly Reports on the implementation of the PIQ Process pursuant to Paragraph 88 ("Reporting Period"), each of the Signatory Regulators agrees that such Signatory Regulator and the Signatory Regulator's insurance department will not:

(i) conduct a market conduct examination or engage in any of the continuum of regulatory activities detailed in the NAIC Market Regulation Handbook with regard to the Conseco Companies relating to the PIQ Process and the items identified as part of the PIQ Process as of December 31, 2009 except as provided by paragraph 94; or

(ii) impose a fine, injunction or any other remedy on the Conseco Companies for matters that are the subject the PIQ Process or the items identified as part of the PIQ Process as of December 31, 2009 except as provided by paragraphs 94 and 95, and may only participate on terms set forth in this Agreement in any fine or remedy that may be imposed under this Agreement. However, this Paragraph 103 shall not be read to preclude a Signatory Regulator from reviewing and proposing changes to the Conseco Companies' remediation efforts with regard to policyowners in their state.

104. Notwithstanding the foregoing, upon notice from any Signatory Regulator to the Lead Regulators, the Signatory Regulators and the Lead Regulators shall proceed to take any and all appropriate action should the Conseco Companies violate any provision of the insurance laws and regulations of the states not subject to this Regulatory Settlement Agreement.

Part IV. Other Provisions

105. The Terms of this Agreement shall commence on the Effective Date of the Agreement and shall terminate upon the later of the submission of the final report required by this Agreement ("Termination Date") or the payment of the final penalty imposed pursuant to Paragraphs 77 or 98.

106. Paragraphs 57, 59, 61, 122 and 123 shall survive the termination of this Agreement.

107. By entering into this Agreement, the Signatory Regulators and Conseco Life intend to resolve issues related to the NGE Changes, the OPPP, the sales, administration and management of the Lifetrend policy forms, and the Signatory Regulators and the Conseco Companies intend to resolve issues related to the process by which the Conseco Companies identify, manage, and correct policy administration issues. This Agreement shall be deemed a full and final resolution and release of all such alleged violations of any laws, regulations or administrative orders issued, or which could have been issued by the respective states including the Iowa Cease and Desist Order and the Florida Order to Show Cause. This Release will not be final unless and until the Conseco Companies have fully implemented and complied with this Agreement.

108. This Agreement shall be binding on and inure to the benefit of the Signatory Regulators, the Conseco Companies and their respective legal representatives, successors and assigns.

109. Each of the Signatory Regulators has full and unqualified legal authority to enter into this Agreement and, where such Signatory Regulator is signing on behalf of a party, to bind that party now and in the future.

110. The failure of the Signatory Regulators at any time to require the strict performance by the Consecos Companies of any of the terms, provisions or conditions hereof shall in no way affect the right thereafter to enforce the same, nor shall the waiver by the Signatory Regulators of any breach of any terms, provisions and conditions hereof be construed or deemed a waiver of any succeeding breach of any term, provision or condition thereof.

111. When an issue pertaining to this Agreement applies to multiple jurisdictions, the Signatory Regulators and the Consecos Companies agree that Indiana law shall apply. When an issue pertaining to this Agreement is specific to an individual jurisdiction, the Signatory Regulators and - the Consecos Companies agree that the particular substantive law of that jurisdiction shall be utilized for the purpose of interpreting, applying and enforcing any provision of this Agreement in that jurisdiction, as appropriate. In such case(s), the appropriate forum shall be the courts or regulatory agency of that particular jurisdiction, as appropriate. Nothing in this Agreement enlarges, supersedes or preempts the insurance laws and regulations of any of the Signatory Regulators' jurisdictions.

112. If the Consecos Companies default with respect to any obligation under this Agreement and such default is not remedied within thirty (30) business days following personal delivery or delivery by facsimile of a written notice to the Consecos Companies or any one of the Consecos Companies pursuant to Paragraph 128 specifying such

default (during which period the several states and the Consecro Companies or the subject Consecro Company shall make reasonable efforts to amicably resolve any disputes regarding the default), the Signatory Regulator(s) may seek judicial enforcement of this Agreement.

113. Nothing herein shall confer any rights upon any persons or entities other than the Signatory Regulators and the Consecro Companies.

114. The effectiveness of this Agreement is conditioned upon the following: (i) approval and execution of this Agreement by the Consecro Companies and the Lead Regulators; and (ii) approval and execution of this Agreement by at least thirty-five (35) states of the United States and any other jurisdiction, and a combined policy count that exceeds seventy-five percent (75%) of Consecro Life's total policy count for all Lifetrend policies. The date on which the last of these approvals is secured shall be the Effective Date of this Agreement.

115. Any state or jurisdiction that wishes to become a party to this Agreement shall execute a Participating Regulator Agreement within thirty (30) days from the Execution Date. If a Signatory Regulator finds that, under applicable state law, regulation or procedure, the preparation and execution of a consent order is necessary to carry out the terms of this Agreement; such a consent order shall be prepared by such Participating Regulator within thirty (30) days following the Execution Date and shall not exceed the Terms of this Agreement. The Lead Regulators may waive the 30-day period for Participating Regulators to execute this Agreement.

116. Each Signatory Regulator hereby agrees that any approval obtained from the Lead Regulators pursuant to the Terms of this Agreement constitutes an approval of the Signatory Regulator.

117. Each Signatory Regulator hereby gives express assurance that, under the applicable laws, regulations and judicial rulings, the Signatory Regulator has the authority to enter into this Agreement and bind that jurisdiction now and in the future. By execution of this Agreement with the Consecos Companies, each Signatory Regulator acknowledges the terms and conditions as set forth herein.

118. The Signatory Regulators and the Consecos Companies may mutually agree, in writing, to any reasonable extensions of time that might become necessary to carry out the provisions of this Agreement.

119. This Agreement sets forth the entire Agreement among the parties with respect to its subject matter and supersedes all prior agreements, arrangements or understandings (whether in written or oral form) between the Consecos Companies and the Signatory Regulators.

120. This Agreement shall remain in effect until the Termination Date.

121. This Agreement (or its Exhibits and their Attachments) may be amended by the Lead Regulators and the Consecos Companies without the consent of any Participating Regulator, provided that such amendment does not materially alter this Agreement. Any amendment to the terms of this Agreement (or its Exhibits or Appendices), which would affect the regulatory authority of any Signatory Regulator, shall not become effective without the written consent of such Signatory Regulator. All such amendments to this Agreement shall be in writing.

122. Except in a proceeding to enforce the terms hereof, neither this Agreement nor any related negotiations, statements or court proceedings shall be offered by the Consecos Companies or the Signatory Regulators as evidence in any regulatory or judicial proceeding.

123. Neither this Agreement nor any related negotiations, statements or court proceedings shall be offered by the Consecos Companies or the Signatory Regulators as evidence of or an admission, denial or concession of any liability or wrongdoing whatsoever on the part of any person or entity including, but not limited to, the Consecos Companies or any affiliates thereof, or as a waiver by the Consecos Companies or any affiliates thereof of any applicable defense including, without limitation, any applicable statute of limitations or statute of fraud.

124. The Consecos Companies do not admit, deny or concede any actual or potential fault, wrongdoing or liability in connection with any facts or claims that have been or could have been alleged against them.

125. The Lead Regulators and the Consecos Companies consider it desirable for this matter to be resolved pursuant to this Agreement because this Agreement will provide substantial benefits to the Consecos Companies' policyowners and insureds.

126. This Agreement may be signed in multiple counterparts, each of which shall constitute a duplicate original, but which taken together shall constitute but one and the same instrument.

127. Nothing herein shall prevent or otherwise restrict a Signatory Regulator from pursuing regulatory action against the Consecos Companies for regulatory issues other than issues as described herein.

128. Except as otherwise provided herein, any notice required to be given hereunder shall be sufficient if in writing and sent by facsimile transmission (which is confirmed) or by courier service (with proof of service), hand delivery or certified or registered mail (return receipt requested and first-class postage prepaid), addressed as follows:

If to the Consecos Companies or to any one of the Consecos Companies:

Matthew J. Zimpfer
General Counsel
11825 N. Pennsylvania Street
Carmel, Indiana 46032

Copy to:

Little Rock, Arkansas 72201

If to the Lead Regulators notice shall be sent to the Commissioner and General Counsel for each Lead Regulator.

129. The Consecos Companies shall be excused from performance for any period and to the extent that the Consecos Companies are prevented from performing any services, in whole or in part, as a result of delays caused by an act of God, civil disturbance, court order, or other cause beyond the Consecos Companies' reasonable control, including failures or fluctuations in electrical power, light, or telecommunications equipment and such nonperformance shall not be considered for determining the Consecos Companies' compliance with this Agreement.

130. In the event that any portion of this Agreement is held invalid under any particular state's law as it is relevant to a Signatory Regulator, such invalid portion shall be deemed to be severed only in that state and all remaining provisions of this Agreement shall be given full force and effect and shall not in any way be affected thereby.

131. The Consecos Companies understand and agree that by entering into this Agreement, the Consecos Companies waive any and all rights to notice, hearing and appeal regarding the items examined and resolved pursuant to this Agreement under the applicable laws of the jurisdictions represented by the Signatory Regulators.

132. Except as explicitly provided herein, nothing in this Agreement or any of its terms and conditions shall be interpreted to alter in any way the contractual terms of any insurance policy issued or acquired by Consecos Life or by the parties to such contract.
